Information for presenting authors, discussants and chairs

Presentation: 20 minutes | **Discussion:** 5 minutes | **Q&A:** 5 minutes

Sessions of three papers: the last presenter in the session discusses the first paper, the first presenter the 2nd paper, the second presenter the last paper : 3 → 1 → 2 → 3.

Sessions of four papers share the same order with an additional paper: 4 → 1 → 2 → 3 → 4.

Presenters are responsible for emailing the latest version of their paper to their discussants **at least ten days in advance** (see directory below for emails). Please bring your presentation on a **USB stick** and load on to the computer in advance of your session. We recommend the PDF format to avoid any issues with PowerPoint compatibility.

Discussants are expected to provide a brief discussion, focusing on specific questions, in order to leave sufficient time for the general discussion with participants.

Chairs are invited to come in the room 5 minutes prior to the start of the session. They introduce the session and the presenters. They make sure that the time available is equally divided among presenters and guide the general discussion. The chair is the last presenter of the session.
